

*F*rom the womb of Mother Earth, the stone is separated,
Three of its kind laid the foundation of our fireplace
We carved our gods and castles out of the same stone
And made a home for ourselves on its bosom..

Company Profile

Go inside a stone, That would be my way!

At Heyrumbh, we inspire ourselves and borrow from the tremendous bounties and gifts from Mother Nature to create sumptuous and lavish natural surfaces that brighten up the various spaces that we inhabit-be it our homes, offices or places of public interest.

Heyrumbh International is the processors, suppliers, import distributors and project suppliers of natural stone, with a marked presence throughout the global market.

Based in India, Heyrumbh spans itself vertically across all segments of stone industry that includes quarrying, cutting and processing stones importing and exporting finished products across the world. Heyrumbh caters to all segments of the stone trade-wholesale dealers, exporters, importers, project managers, architects, engineers and the retail end user the housewife, with equal deftness and precision.

As we continually invest in our company through technology, designs and manufacturing changes with time-we go to great lengths to articulate the versatility of our stone slabs, tiles and mosaics.

*"The Breath becomes a stone, the stone, a plant, the plant
an animal, the animal, a man, the man, a spirit, and the spirit, a god."*

Infrastructure

The stone varieties offered at Heyrumbh are virtually indistinguishable from natural formations!

Why? The simple answer is quality craftsmanship and attention to detail. Innovation and creativity in creating natural finishes in stone through the latest and best in technological intervention drives us to excellence in our vast range of products.

In our pursuit to be in the vanguard of ever-changing product demands internationally, we innovate with the latest technology and maintain superior craftsmanship and consistently deliver an aesthetic that is tailored to each individual client's vision and specifications.

Some of our important possessions include:

- 16 multi wire Pedrini Cutting Machine (we are the first in India to cut these huge boulders with such precision)
- Pedrini Polishing Line Machine
- Pedrini's Resin Line
- Indigenous gang saws and cutters and hand polishing lines

Services

From the quarry to the home, We take utmost care of your stone!

Our services are perfected to the last core of professionalism and customer satisfaction. Our products are well complemented and supplemented with services that include quality inspection, handcrafted excellence, international technologies and best logistic support.

- A dedicated project manager sees each and every project through from start to finish.
- A well-staffed team of craftsmen, hand workers, technical personnel, engineers and project managers are our biggest assets, ensuring complete peace of mind.
- Highest level of quality inspection, polishing surfaces and packaging for each product is maintained so that each stone reaches you in it's perfectly natural state.
